BOLTACTION.EASYARMY.COM

Special Rules

One-man Turret

Must make an order test when issuing an Advance order, even if the tank is not pinned

Recce

(p118)

Slow... Pitifully Slow

Slow tank as defined by the rules and not allowed to make a double-speed Run move at all. It can still be given a Run order (thereby avoiding the 'One-man Turret' rule) but moves at its basic speed only

Team (2 men)

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

Team (3 men)

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

Team (4 men)

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

HE (1")

(p68) PEN: +1, PIN: D2 (D3 if in building) - Infantry and artillery can go down to halve the hits taken

HE (2")

(p68) PEN: +2, PIN: D3 (D6 if in building) - Infantry and artillery can go down to halve the hits taken

HE (3")

(p68) PEN: +3, PIN: D3 (2D6 if in building) - Infantry and artillery can go down to halve the hits taken

Cavalry carbine

Carbines count as pistols when used from horseback, and rifles when used on foot

Cavalry

(p89) Moves 9" at Advance, 18" at Run. Cannot enter buildings unless they have dismounted. Can dismount as part of Advance move - cannot remount. Cannot go Down. Can Escape as a recon vehicle (at normal speed, not double speed)(p98). Can only fire pistol or carbine (rifle) when mounted. While mounted, cavalry have tough fighters special rule (p90- When a tough fighter scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll). Can regroup up to 2D6".

Assault

(p66) This weapon suffers no penalty 'to hit' when moving and shooting. In addition, infantry models armed with an assault weapon count as tough fighters (page 91). When a tough fighter scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll.

Indirect fire

(p71)

Howitzer

(p71) Can either shoot directly at a target drawing its line of fire 'over open sights' in the normal way, or it can shoot indirect fire. When using indirect fire, a howitzer has a minimum range; when firing over open sights it has no minimum range.

Gun shield

(p95) The die roll an enemy requires to score damage from the front arc of the gun is increased by +1. The die roll is modified by the penetration value of the weapon in the usual way. Hits from HE (both direct and indirect), flame throwers, and close quarters attacks ignore the gun shield rule.

Flak

All enemy units not currently down automatically fire at the attacking aircraft if it is within their firing arc and range, regardless of whether they have already taken an action or not that turn. Flak fire does not require an action. Line of sight ignored. Rolls to hit aircraft are always at a -2 penalty. Friendly flak units must test to hold their fire (page 67)

Fixed

(p66) When given Advance order, fixed weapons can rotate on the spot suffering a -1 to-hit penalty. Non-artillery Fixed can move normal 12" when given Run order.

Pick List

French

AMD Panhard 178	1
Infantry with Cavalry carbine	6
Infantry with Pistol	1
Infantry with Rifle	14
Infantry with Submachine gun	3
Laffly S20TL Six-wheeled Truck	1
Medium howitzer	2
Medium Mortar	1
NCO with Cavalry carbine	1
NCO with Rifle	2
NCO with Submachine gun	1
Renault FT	1
Second Lieutenant	1
Sniper team	1
