Special Rules

Open-topped

(p118) Pinned by hits from small arms in the same way as soft-skins and infantry. If assaulted by infantry open-topped armoured vehicles are destroyed automatically if the vehicle is damaged, in the same way as for soft-skins. If hit by indirect fire then add +1 to the damage result roll. Note that all hits upon the upper surface of armoured vehicles count +1 penetration regardless of whether the target is open or not - so open-topped armoured vehicles suffer a double penalty: +1 penetration and +1 damage result

Recce

(p118)

Team (7 men)

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

HE (2")

(p68) PEN: +2, PIN: D3 (D6 if in building) - Infantry and artillery can go down to halve the hits taken

HE (3")

(p68) PEN: +3, PIN: D3 (2D6 if in building) - Infantry and artillery can go down to halve the hits taken

Assault

(p66) This weapon suffers no penalty 'to hit' when moving and shooting. In addition, infantry models armed with an assault weapon count as tough fighters (page 91). When a tough fighter scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll.

Tiger fear

All enemy units that have line of sight to one or more German vehicles with the Tiger fear special rule count as having one extra pin marker on them when taking any Order test, except if ordered to Fire against a vehicle causing Tiger fear. Test on -1 morale if they have no pin markers (page 17).

Gun shield

(p95) The die roll an enemy requires to score damage from the front arc of the gun is increased by +1. The die roll is modified by the penetration value of the weapon in the usual way. Hits from HE (both direct and indirect), flame throwers, and close quarters attacks ignore the gun shield rule.

Flamethrower

(p67).Flamethrowers never suffer to-hit penalties for cover or Down. Hits multiplied into D6 (D6+1 for vehicle flamethrower). Always hits top armour. No -1 PEN for long range. Gun shield and extra protection rules do not apply. Units hit take D3+1 pins and must always check morale (if fail, then destroyed). Flamethrower rolls D6 - on 1 it runs out of fuel. When rolling to damage vehicle with flamerthrower, add +1 to damage effects chart.

Flak

All enemy units not currently down automatically fire at the attacking aircraft if it is within their firing arc and range, regardless of whether they have already taken an action or not that turn. Flak fire does not require an action. Line of site ignored. Rolls to hit aircraft are always at a -2 penalty. Friendly flak units must test to hold their fire (page 67)

Fixed

(p66) When given Advance order, fixed weapons can rotate on the spot suffering a -1 to-hit penalty. Non-artillery Fixed can move normal 12" when given Run order.

Versatile (medium)

Can also fire as a medium howitzer 60"(30-72), HE (3")

Spotter

Spotters rules on page 71. Inexperienced Spotters cannot spot for inexperienced indirect fire weapon.

Pick List

German

88mm Flak 36 dual purpose AA/AT gun	1
Aufklärungs Command Kübelwagen	1
Aufklärungs Kübelwagen	1
Aufklärungs MG Kübelwagen	2
