Vehicle MG	16"/40cm	3	2	6	ROF 1 if other weapons fire.
.50 cal Vehicle MG	16"/40cm	3	4	5+	ROF 1 if other weapons fire.

SPECIAL RULES

Battleworn Rifle Platoon - p.29

A Battleworn Rifle Platoon uses the Tank Force Riders special rule on page 9.

Light Tank Company HQ (3rd) - p.15

A tank that uses the Smooth Ride special rule does not suffer +1 penalty to its score To Hit when using the Stabilizers special rule, provided that it did not move more than 6"/15cm during the Movement Step and it did not move in, enter, or more out of Rough Terrain.

At the start of the game a player may elect to fit all of their Sherman tanks (of all variants), M5A1 Stuart, and M8 Scott HMC with Duckbills. This gives them Wide Tracks (see page 61 of the rulebook), but makes their mobility rating Slow Tank.

M4A3E2 Jumbo, M4A3E2 (76mm), and M4A3E8 Easy Eight tanks cannot be fitted with Duckbills and ignore the Duckbills special rule.

If a Tank team with Tank Telephone and an adjacent Infantry team did not move in the Movement Step, and the Infantry team is not Pinned Down, the Infantry team can use the Eyes and Ears rule (see page 195 of the rulebook) to Reveal one Gone to Ground enemy team to that Tank team as if the Infantry team was a Recon team. If other tanks in the platoon fire, they must either have their own Infantry team pointing out the targets or continue to treat the target as Gone to Ground.

Tanks that use the Detroit's Finest special rule have a Movement Distance of 14"/35cm on Roads or Cross-country Terrain.

Teams from platoons that use the Task Force Riders special rule do not use the Truscott Trot special rule. Instead, teams from this platoon have a 3+ Save while Mounted on a Slow, Standard, or Light Tank team as Passengers, instead of the normal 5+ Save (see page 101 of the rulebook).

You may allocate hits to an M4A3E2 Jumbo or M4A3E2 (76mm) tank as if it had the lowest armour rating, assigning it a hit before the lesser armoured tanks.

This rule does not apply to hits from Artillery Bombardments or hits from Aircraft.

You must field at least one Light Tank Platoon entirely equipped with the same model of tank as the Light Tank Company HQ.

Tank Destroyer Platoon - p.27

Tank Destroyer Platoons use the US Tank Destroyers special rules on page 238 of the rulebook.
