Vehicle MG	16"/40cm	3	2	6	ROF 1 if other weapons fire.

SPECIAL RULES

Guards Rocket Mortar Battalion - p.29

A Guards Rocket Mortar Battalion is rated **Fearless Trained**.

A Guards Rocket Mortar Battalion that fired may take a Skill Test in the Assault Step instead of taking part in an Assault:

If it passes the Skill Test, remove all Smoke Trail markers from all Rocket Launcher teams in the battalion.

Otherwise, they are too slow in getting away, leaving them vulnerable to counterbattery artillery fire using the Fire In the Sky rule on page 138 of the rulebook.

Spetsnaz Platoon - p.27

A Spetsnaz Platoon is a Reconnaissance Platoon. A Spetsnaz Platoon is an exception to the Centralised Control doctrine. They operate as a normal platoon.

A Spetsnaz Platoon is an Infiltration Platoon. They may Infiltrate a Tankovy Company, a Tank-rider Company, or a Motostrelkovy Company. See the Infiltration rules on page 250 in the rulebook.

A Spetsnaz Platoon is rated **Fearless Veteran**.

Tankovy Batalon HQ (Red Army) - p.9

Bed Spring Armour

If a tank protected by Bed Spring Armour fails an Armour Save against a weapon with a Firepower of 5+ or 6 hitting its Side armour, roll a special 4+ Bed Spring Armour save:

- If the save is successful the Bed Spring Armour protects the tank from the side shot.
- If the save is not successful the shot penetrated the Side armour as normal.

A Tankovy Batalon must contain at least one Tankovy Company equipped with the same type of tank as the Tankovy Batalon HQ.
