Vehicle MG	16"/40cm	3	2	6	ROF 1 if other weapons fire.

SPECIAL RULES

SS-Panzer Platoon (Wiking) - p.109

You may replace any or all Platoon Command teams from any SS-Panzer Platoons in the Wiking SS-Division with a Panzer Kanone for +65 points per platoon. A Panzer Kanone is a Warrior with the following abilities:

Panzer Kanone

At the start of the game roll a die for each Panzer Kanone to determine the medal he has been awarded. That Panzer Kanone possesses the skills shown for that medal in the table below:

1,2: Knight's Cross

A Panzer Kanone with a Knight's Cross may:

- Have Tank teams in their platoon re-roll failed Skill Tests.

3,4: Knight's Cross with Oak Leaves

A Panzer Kanone with a Knight's Cross with Oak Leaves may:

- Move and Shoot with full ROF, and
- Have Tank teams in their platoon re-roll failed Skill Tests

5: Knight's Cross with Swords

A Panzer Kanone with a Knight's Cross with Swords may:

- Re-roll any failed roll To Hit when they shoot with their main gun,
- Move and Shoot with full ROF, and
- Have Tank teams in their platoon re-roll failed Skill Tests

6: Knight's Cross with Diamonds

A Panzer Kanone with a Knight's Cross with Diamonds may:

- Re-roll any failed roll To Hit when they shoot with their main gun,
- Move and Shoot with full ROF,
- Only be destroyed on an enemy roll of 5+ rather than a roll of 4+ when using the Warrior Tank Team Casualties rule in the rulebook, and
- Have Tank teams in their platoon re-roll failed Skill Tests

SS-Panzerkampfgruppe HQ (Wiking) - p.109

A SS-Panzerkampfgruppe or SS-Panzergrenadierkampfgruppe from the 5. SS-Panzerdivision Wiking must be made up of either Danish or Flemish troops.

Platoons from the Flemish Regiment may make a Stormtroopers Move while Pinned Down and may move towards the enemy while making this move.

When firing artillery bombardments using SS-Kampfgruppe Artillery Battery, SS-Kampfgruppe Heavy Artillery Battery, Armoured SS-Artillery Battery, or Armoured Heavy SS Artillery Battery in support of the Danish Panzergrenadier Regiment, Roll to Hit as if the artillery are Veterans.

When Infantry teams from a Gepanzerte SS-Panzergrenadier Platoon or a SS-Panzergrenadier Platoon in a SS-Panzerkampfgruppe or SS-Panzergrenadierkampfgruppe from the 5. SS-Panzerdivision Wiking shoot at a platoon that contains a Soviet Komissar team, you may make a second roll for each hit scored on the platoon.

- If you roll a 5 or 6, you can choose to mark the Komissar team as a priority target similar to the Gun Tank rule in the rulebook.
- Otherwise, the hits are allocated as normal.

When used, this rule overrides all other rules about his allocation except those regarding valid targets.

You must field at least one SS-Panzer Platoon entirely equipped with the same model of tank as the Company HQ.
