SPECIAL RULES

HG Heavy Panzerspäh Platoon - p.42

Panzerspäh Patrols are Reconnaissance Platoons.

Panzerspäh Patrols operate as separate platoons, each with their own command team.

HG Light Anti-aircraft Gun Platoon - p.48

When you deploy your HG Light anti-aircraft Gun Platoon, you may designate them as infantry support. The 2cm FlaK38 guns designated as infantry support are no longer anti-aircraft guns, instead they may fire self-defence anti-aircraft. This means they can be concealed when Dug In as Light Gun teams.

Schwere Panzer Platoon - p.63

Remember to roll for your Tiger Ace Skills before each game.

Schwere Panzerkompanie HQ - p.63

Elite Troops

Hermann Göring (or HG) Platoons may re-roll any failed Platoon Morale Checks. Your Company Command team may re-roll Company Morale Checks.

The Company Command tank always has two Tiger Ace Skills (see page 244 of the rulebook). Roll two dice and any roll of a 6 allows you to choose your Tiger Ace Skill.
