VEHICLE MACHINE-GUNS

Weapon	Range	ROF	Anti-tank	Firepower	
Vehicle MG	16"/40cm	3	2	6	ROF 1 if other weapons fire.

SPECIAL RULES

Captain John Treleaven (3rd-15th-C3rd) - p.58

Captain Treleaven and his platoon always pass Motivation Tests on a roll of 3+.

If Captain Treleaven's company is required to take a Company Morale Check and there are no other Warriors who can take it, the company may still take the Company Morale Check and will pass it on a roll of 4+.

Treleaven is a Warrior Platoon Command Rifle/MG team. He is rated as **Fearless Veteran**. Treleaven may join an Assault Company or Rifle Company replacing the normal Platoon Command team of an Assault Platoon (page 61) or Rifle Platoon (page 144) from the 3rd Canadian Infantry Division, or British 3rd or 15th (Scottish) Divisions for +25 points, from the 50th (Northumbrian) Division for +35 points, or a Rifle Platoon (page 144) from the British 51st (Highland) Division for +80 points.

Carrier Platoon (15th) - p.145

Carrier Patrols equipped with Universal Carriers are Reconnaissance Platoons.

Carrier Patrols equipped with Wasp Carriers are not Reconnaissance Platoons.

Carrier Patrols operate as separate platoons, each with their own Command team.

Infantry Field Battery, Royal Artillery (15th) - p.156

Although an Infantry Field Battery, Royal Artillery is a single Support choice, each Gun Troop operates as a separate platoon with its own Command team. The Command team and Staff team of the HQ Troop must be attached to a Gun Troop from its battery at the start of the game before deployment, see the British Artillery special rules on page 248 of the rulebook.

Rifle Company HQ (15th) - p.143

A platoon from the 51st (Highland) Division that did not fail any Saves in the previous enemy Shooting Step, may re-roll any failed attempts to Rally Pinned Down platoons or Remount Bailed Out vehicles.

If a 2iC Command team with a Bagpiper is Destroyed by enemy shooting, the enemy rolls to Destroy the 2iC Command team using the Warrior Infantry Team Casualties rule on page 106 of the rulebook. However, instead of requiring a 4+ to Destroy the 2iC Command team, the enemy player needs to roll a 5+ to Destroy the team.

Any hits on the 2iC Command team do not count towards Pinning Down the platoon or making it Fall Back from Defensive Fire.
