SPECIAL RULES

Hero Light Armoured Car Platoon (Guards) - p.5

A Hero Light Armoured Car Platoon is a Reconnaissance Platoon.

A Hero Light Armoured Car Platoon is not subject to the Centralised Control special rule.

Hero Razvedki Platoon (Guards) - p.5

A Hero Razvedki Platoon is not subject to the Centralised Control special rule.

You may replace up to one Rifle/MG or SMG team with a Flame-thrower team at the start of the game before deployment.

Hero Rota Razvedki HQ (Guards) - p.4

Cat Killers

SU-85, SU-85M and SU-100 assault guns from an Assault Gun Company do not use the Volley Fire special rule. Instead, SU-85, SU-85M and SU-100 assault guns from an Assault Gun Company that did not move in the Movement Step may re-roll failed rolls To Hit when shooting their main guns at platoons with all teams more than 16"/40cm away.

A Hero Rota Razvedki HQ that is mounted as Motorcycle teams uses the Motorcycle Reconnaissance rules on page 196 of the rulebook and are Reconnaissance teams while mounted.

Hero companies and platoons from a Hero Rota Razvedki (page 3), and Hero Corps Support (page 7) use all of the normal Soviet special rules on pages 249 to 252 of the rulebook (except for Hen and Chicks). In addition they also use the Luckier, Smarter, and Sharper special rules, as well as the Cat Killers special rule.

Hero platoons and companies do not use the Hen and Chicks special rule.

If the Company or 2iC Command team is Destroyed, your opponent must roll a 5+, rather than the normal 4+, when rolling for Warrior Team Casualties (see page 106 of the rulebook).

Teams from Hero platoons and companies pass all Skill Tests on a result of 3+. In addition, when firing bombardments, Hero companies roll to hit as though they were rated as Veteran.
