VEHICLE MACHINE-GUNS

Weapon	Range	ROF	Anti-tank	Firepower	
Vehicle MG	16"/40cm	3	2	6	ROF 1 if other weapons fire.

SPECIAL RULES

Armoured Rocket Launcher Battery (Trained) - p.90

Armoured Rocket Launcher Batteries use the Armoured Rocket Launcher special rule on page 245 of the rulebook.

Panzer Kampfgruppe HQ (Trained) - p.69

A Panzer Kampfgruppe (page 68), and a Panzergrenadier Kampfgruppe (page 72), a Panzer Ausbildungs Verband (page 76), and Panzer Ausbildungs 500 (page 80) do not use the German Kampfgruppe special rule on page 242 of the rulebook.

When you need to take a Platoon Morale Check, instead of rolling a Motivation Test for the entire platoon, roll a die for each team in the platoon and any teams that have Joined the platoon.

On a result of 3+ the team continues to fight on.

On any other roll the team is Destroyed and is removed from the table.

If the platoon is required to take a sole survivor Motivation Test (see page 176 of the rulebook) it automatically fails the test and the platoon is Destroyed.

Company and Higher Command teams cannot re-roll a result for other teams using Enjoy the War, however they may re-roll their own result.

You must field at least one Panzer Platoon equipped with the same model of tank as the Company HQ.

Panzergrenadier Platoon (Trained) - p.74

Panzergrenadier Platoons may use the Mounted Assault special rule on page 243 of the rulebook.

Panzerspäh Platoon (Trained) - p.84

Panzerspäh Patrols are Reconnaissance Platoons.

Panzerspäh Patrols of a Panzerspäh Platoon operate as separate platoons, each with their own command team.

Schwere Panzer Platoon - p.83

A Schwere Panzer Platoon uses the Tiger Aces special rules on page 244 of the rulebook.
