SPECIAL RULES

508. Schwere Panzer Platoon - p.70

A 508. Panzer Platoon does not use the Tiger Aces special rules.

Ersatz SS-Machine-gun Platoon - p.68

Ersatz SS-Machine-gun Platoons may make Combat Attachments to Ersatz SS-Aufklärungs Platoons.

SS-Panzerbrigade Westfalen HQ - p.67

Fanatical Faust-men

Panzerfaust Trap teams are Independent teams. However, they may never Join a platoon or other Independent teams.

Unlike normal Independent Teams, Panzerfaust Trap teams may Launch Assaults.

Panzerfaust Ambush

Panzerfaust Trap teams are never deployed at the start of the game. Instead, at the start of any Movement Step, the owning player may place any of their Panzerfaust Trap teams in any terrain feature in their own deployment area or No Man's Land such that the Panzerfaust Trap team is not within 2"/5cm of any enemy team.

Panzerfaust Trap teams may not deploy within 8"/20cm and in Line of Sight of a Recce team that is not Bogged Down, Bailed Out, or moved At the Double.

If there are any friendly teams within 4"/10cm, Panzerfaust Trap teams may not fire or Launch an Assault and must immediately Break Off when assaulted.

Well Hidden

So long as a Panzerfaust Trap team remains where it was deployed it always counts as in Bulletproof Cover. If a Panzerfaust Trap team moves for any reason, it no longer benefits from Well Hidden.

Ersatz platoons do not use the Stormtrooper or Mission Tactics special rules.

SS-Panzerbrigade Westfalen does not use the German Kampfgruppe special rule.

SS-Panzerbrigade Westfalen uses all of the German special rules on page 241 to 245 of the rulebook. In addition, it also uses the following special rules.

SS-Panzerbrigade Westfalen will Always Defend.

The Company and 2iC Command teams of a SS-Panzerbrigade Westfalen HQ may use the Stormtrooper special rule on page 241 of the rulebook.

When the Company Command or 2iC Command team Joins a platoon may use the Stormtrooper special rule.

Vehicles from an Ersatz SS-Panzer Platoon and Ersatz Schwere Panzer Platoons are all rated Unreliable (see page 61 of the rulebook) and do not benefit from either Wide-tracks or Tiger Ace abilities.

When an SS platoon needs to take a Platoon Morale Check, instead of rolling a Motivation Test for the entire platoon, roll a die for each team in the platoon and any teams that have Joined the platoon.

On a result of 2+ the team continues to fight on.

On any other roll the team is Destroyed and is removed from the table.

If the platoon is required to take a Sole Survivor Motivation Test (see page 176 of the rulebook) it automatically fails the test and the platoon is Destroyed.

Company and Higher Command teams cannot re-roll a result for other teams using Enjoy the War, however they may re-roll their own result.
