SPECIAL RULES

Glider Rifle Company HQ - p.3

British and American platoons in your force are not rated as Allies.

British Platoons use the normal British special rules (see pages 246 to 248 of the rulebook).

Glider Rifle Companies use the following special rules in addition to the normal US special rules (see pages 236 to 240 of the rulebook).

Infantry teams have a 3+ Save while Mounted on a Churchill tank team as Passengers instead of the normal 5+ Save (see page 101 of the rulebook).

Parachute and Glider Rifle Platoons with a Command team may attempt a Thunder from Heaven move at the start of the Shooting Step instead of shooting. If a platoon attempts to make this move, it may not shoot even if it fails to make the move.

Roll a Skill Test for each platoon:

- If the test is successful, the platoon may move another 4"/10cm,
- Otherwise the platoon cannot move this step.

All normal rules apply for this movement. A Platoon cannot make this move if it is Pinned Down or has moved At the Double. Bugged Down gun teams cannot make this move.

Glider Weapons Platoon - p.4

A Glider Weapons Platoon may make Combat Attachments to Glider Rifle Platoons.

Guards Tank Platoon - p.10

Guards Tank Platoons may re-roll any failed Platoon Morale Checks.

Infantry teams have a 3+ Save while Mounted on a Churchill tank team as Passengers instead of the normal 5+ Save (see page 101 of the rulebook).
