| .50 cal Vehicle MG | 16"/40cm | 3   | 4         | 5+        | ROF 1 if other weapons fire. |

## SPECIAL RULES

### **Tank Destroyer Platoon (Veteran) - p.27**

A Tank Destroyer Platoon uses the US Tank Destroyers special rules on page 238 of the rulebook.

### **Tank Platoon (Trained) - p.26**

#### **DETROIT'S FINEST**

Tanks that use the Detroit's Finest special rule have a Movement Distance of 14"/35cm on Roads and Cross-country Terrain.

#### **DUCKBILLS**

At the start of the game a player may elect to fit all of their Sherman tanks (of all variants) with Duckbills. This gives them Wide Tracks (see page 61 of the rulebook), but makes their mobility rating Slow Tank.

M4A3E2 Jumbo and M4A3E8 Easy Eight tanks cannot be fitted with Duckbills and ignore the Duckbills special rule.

#### **JUMBO LEADS THE WAY**

You may allocate hits to an M4A3E2 Jumbo tank as if it had the lowest armour rating, assigning it a hit before the lesser armoured tanks.

This rule does not apply to hits from Artillery Bombardments or hits from Aircraft.

#### **SMOOTH RIDE**

An M4A3E8 Easy Eight tank does not suffer +1 penalty to its score To Hit when using the Stabilizers special rule, provided that it did not move more than 6"/15cm during the Movement Step and it did not move in, enter, or more out of Rough Terrain.

#### **TANK TELEPHONE**

If a Tank team with Tank Telephones and an adjacent Infantry team did not move in the Movement Step, and the Infantry team is not Pinned Down, the Infantry team can use the Eyes and Ears rule (see page 195 of the rulebook) to Reveal one Gone to Ground enemy team to that Tank team as if the Infantry team was a Recon team. If other tanks in the platoon fire, they must either have their own Infantry team pointing out the targets or continue to treat the target as Gone to Ground.

You can upgrade your M4 or M4A1 Sherman tanks from the Tank Platoons to newer models. For each tank you wish to upgrade, simply add the points (found to the right) that match the skill rating of the Tank Platoon you have chosen to the cost of the platoon.

For example, in one of your full-strength Trained Tank Platoons (320 points), you would like to upgrade one tank to an M4A3E2 Jumbo, two tanks to M4A3 (76mm), and leave the rest as normal. This adds +50 points for the Jumbo upgrade and +45 for each of the 76mm upgrades, for a total cost of 460 points for the platoon.
