<i>Weapon</i>	<i>Range</i>	<i>ROF</i>	<i>Anti-tank</i>	<i>Firepower</i>	
Vehicle MG	16"/40cm	3	2	6	ROF 1 if other weapons fire.

SPECIAL RULES

Assault Pioneer Platoon - p.210

You may replace up to two Pioneer Rifle-MG teams with Flame-thrower teams at the start of the game before deployment.

Barbed Wire Entanglements - p.151

A Company with Street or Field Fortifications is a Fortified Company and follows the Fortification Placement rules on pages 262 to 263 of the rulebook. The Company Headquarters becomes a Fortified Company HQ.

Barbed Wire Entanglements are Area Defences, see page 262 of the rulebook.

Minefield - p.150

A Company with Street or Field Fortifications is a Fortified Company and follows the Fortification Placement rules on pages 262 to 263 of the rulebook. The Company Headquarters becomes a Fortified Company HQ.

Minefields are Area Defences, see page 262 of the rulebook.

Önkéntes Puskás Machine-gun Platoon (University) - p.208

A Onkentes Puskas Machine-gun Platoon may make Combat Attachments to Onkentes Puskas Platoons.

Önkéntes Puskás Század HQ (University) - p.207

A Önkéntes Puskás Század may deploy a Hungarian platoon entirely made up of Infantry or Gun teams, or a mix of both, in Immediate Ambush (see the rulebook) in addition to any Ambush deployment that may be allowed by the Mission played. The Immediate Ambushing platoon must be taken from the platoons that are to be deployed on table during deployment.

All the Combat and Weapons platoons of a Onkentes Puskas Szazad must be selected from options with the same symbol as the Company HQ.

Hungarian platoons may re-roll failed Skill Tests to Dig In.

Hungarian platoons that are Huszár Platoons are so indicated under those platoons.

Any Huszár Platoon with a Command team may attempt a Huszár move at the start of the Shooting Step instead of shooting. If a platoon attempts to make a Huszár move, it may not shoot even if it fails to make a Huszár move.

Roll a Skill test for each platoon:

- If the test is successful, the platoon may move another 4"/10cm,
Otherwise the platoon cannot move this step.

All normal rules apply for this movement. Platoons cannot make Huszár moves if they are Pinned Down or have moved At the Double. Bugged Down or Bailed vehicles cannot make Huszár moves.

Rohamagyús Platoon - p.201

Rohamagyus Platoons are Huszar Platoon.

Rohamagyús Platoons are Huszár Platoons.

Street Barricade - p.149

A Company with Street or Field Fortifications is a Fortified Company and follows the Fortification Placement rules on pages 262 to 263 of the rulebook. The Company Headquarters becomes a Fortified Company HQ.

Street Barricades are Area Defences, see page 262 of the rulebook.
