.50 cal Vehicle MG	16"/40cm	3	4	5+	ROF 1 if other weapons fire.

SPECIAL RULES

Armored Field Artillery Battery (Trained) - p.42

Observer Sherman OP tanks cannot launch assaults.

Cavalry Recon Platoon (Veteran) - p.40

Dismount

Before deployment you may choose to dismount all of your Cavalry Recon Platoons. If you do this, all of the Cavalry Recon Patrols from the same platoon operate as a single platoon.

If you do this, all of the platoon's vehicles are permanently removed from the game. Replace all of the vehicles in each Patrol with any two of the following teams for each Patrol:

- Carbine teams
- .50 cal MG teams
- M1919 LMG teams
- up to one Bazooka team per Cavalry Recon Patrol
- up to one M2 60mm mortar team per Cavalry Recon patrol.

Designate any one pf the teams as the Platoon Command team. The platoon remains a Reconnaissance Platoon.

Cavarly Recon Patrols are Reconnaissance Platoons.

Cavarly Recon Patrols from Cavalry Recon Platoons operate as separate platoons, each with their own Command team.

Corps Tank Destroyer Platoon (Trained) - p.36

A Corps Tank Destroyer Platoon uses the Tank Destroyers special rules on page 238 of the rulebook.
