Special Rules

One-man Turret

Must make an order test when issuing an Advance order, even if the tank is not pinned

Recce

(p118)

Tank hunters

(p91) If a tank hunter unit wins an assault and scores damage against an armoured vehicle, the effect is resolved on the Damage Result table as for a normal anti-tank penetration rather than as for superficial damage.

Team (3 men)

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

Tough Fighters

(p91) When a tough fighter scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll.

HE (1")

(p68) PEN: +1, PIN: D2 (D3 if in building) - Infantry and artillery can go down to halve the hits taken

HE (2")

(p68) PEN: +2, PIN: D3 (D6 if in building) - Infantry and artillery can go down to halve the hits taken

Assault

(p66) This weapon suffers no penalty 'to hit' when moving and shooting. In addition, infantry models armed with an assault weapon count as tough fighters (page 91). When a tough fighter scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll.

Vulnerable

Because of the reveted construction, all shots to the side and rear of the vehicle get an additional +1 penetration modifier

Low velocity light anti-tank gun

Weapon counts as a light anti-tank gun, but with an armour penetration rating of +3 instead of the usual +4

Kamikaze (vehicle hit PEN +8)

If a suicide anti-tank team assaults an enemy vehicle and the model manages to move into contact with the target, remove it and immediately resolve a hit against the vehicle with a Penetration value of +8 (no other penetration modifiers apply)

Indirect fire

(p71)

Howitzer

(p71) Can either shoot directly at a target drawing its line of fire 'over open sights' in the normal way, or it can shoot indirect fire. When using indirect fire, a howitzer has a minimum range; when firing over open sights it has no minimum range.

Gun shield

(p95) The die roll an enemy requires to score damage from the front arc of the gun is increased by +1. The die roll is modified by the penetration value of the weapon in the usual way. Hits from HE (both direct and indirect), flame throwers, and close quarters attacks ignore the gun shield rule.

Forward position

Counts as Observers/Snipers for Set-Up purposes (see page 118 of the Bolt Action rulebook)

Flamethrower

(p67). Flamethrowers never suffer to-hit penalties for cover or Down. Hits multiplied into D6 (D6+1 for vehicle flamethrower). Always hits top armour. No -1 PEN for long range. Gun shield and extra protection rules do not apply. Units hit take D3+1 pins and must always check morale (if fail, then destroyed). Flamethrower rolls D6 - on 1 it runs out of fuel. When rolling to damage vehicle with flamethrower, add +1 to damage effects chart.

Flak

All enemy units not currently down automatically fire at the attacking aircraft if it is within their firing arc and range, regardless of whether they have already taken an action or not that turn. Flak fire does not require an action. Line of site ignored. Rolls to hit aircraft are always at a -2 penalty. Friendly flak units must test to hold their fire (page 67)

Fixed

(p66) When given Advance order, fixed weapons can rotate on the spot suffering a -1 to-hit penalty. Non-artillery Fixed can move normal 12" when given Run order.

Fieldcraft

Units with Fieldcraft using Hidden Set-Up may start the game already in Ambush. In addition, in the first turn of the game, all Fieldcraft units treat all Rough Ground and Obstacles as Open ground for the purpose of movement.

Infiltration

When Outflanking, ignore the -1 modifier to the order test for coming on the table.

Local Troops

Always count as Veterans regardless of their actual experience level when testing for exhaustion.

Native Irregulars

Count as Observers/Snipers for Set-Up purposes.

Spotter

Spotters rules on page 71. Inexperienced Spotters cannot spot for inexperienced indirect fire weapon.
