BOLTACTION.EASYARMY.COM

Special Rules

One-shot

(p72) This is a disposable weapon that can be fired only once per game. Once fired replace the model with another model that does not carry the disposable weapon

Recce

(p118)

Recce (Dual direction steering)

(p118)

Shaped Charge

(p73) Never suffer the -1 penetration modifier for firing at long range.

Sniper

(p91) When a sniper shoots using a Fire or Ambush order, the player can decide to use his scope. Rifle range changes to 36". If target is within 12" the shot misses automatically. Shot ignores negative to-hit modifiers except pinning markers and for missing assistant. Shot ignores gun shield and extra protection rules. If successful, always counts as exceptional damage and can pick any model in the unit. When not using scope, all members of team can fire any weapon they have and in assault can use the assault rule if pistol/submachine gun.

Team (2 men)

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

Team (3 men)

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

Team (4 men)

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

Stubborn

(p91) If forced to take a morale check, they ignore negative morale modifiers from pin markers. Remember that order tests are not morale checks.

HE (1")

(p68) PEN: +1, PIN: D2 (D3 if in building) - Infantry and artillery can go down to halve the hits taken

HE (2")

(p68) PEN: +2, PIN: D3 (D6 if in building) - Infantry and artillery can go down to halve the hits taken

HE (3")

(p68) PEN: +3, PIN: D3 (2D6 if in building) - Infantry and artillery can go down to halve the hits taken

Assault

(p66) This weapon suffers no penalty 'to hit' when moving and shooting. In addition, infantry models armed with an assault weapon count as tough fighters (page 91). When a tough fighter scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll.

Tracked bike

A Kettenkrad moves as a half-track

Indirect fire

(p71)

Howitzer

(p71) Can either shoot directly at a target drawing its line of fire 'over open sights' in the normal way, or it can shoot indirect fire. When using indirect fire, a howitzer has a minimum range; when firing over open sights it has no minimum range.

Gun shield

(p95) The die roll an enemy requires to score damage from the front arc of the gun is increased by +1. The die roll is modified by the penetration value of the weapon in the usual way. Hits from HE (both direct and indirect), flame throwers, and close quarters attacks ignore the gun shield rule.

Flamethrower

(p67).Flamethrowers never suffer to-hit penalties for cover or Down. Hits multiplied into D6 (D6+1 for vehicle flamethrower). Always hits top armour. No -1 PEN for long range. Gun shield and extra protection rules do not apply. Units hit take D3+1 pins and must always check morale (if fail, then destroyed). Flamethrower rolls D6 - on 1 it runs out of fuel. When rolling to damage vehicle with flamethrower, add +1 to damage effects chart.

Flak

All enemy units not currently down automatically fire at the attacking aircraft if it is within their firing arc and range, regardless of whether they have already taken an action or not that turn. Flak fire does not require an action. Line of sight ignored. Rolls to hit aircraft are always at a -2 penalty. Friendly flak units must test to hold their fire (page 67)

Fixed

(p66) When given Advance order, fixed weapons can rotate on the spot suffering a -1 to-hit penalty. Non-artillery Fixed can move normal 12" when given Run order.

Spotter

Spotters rules on page 71. Inexperienced Spotters cannot spot for inexperienced indirect fire weapon.
