Recce
(p118)

Scary Blighters!

Any enemy unit fighting Ghurkas in close combat will halve its total number of attacks against the Ghurkas (rounding up)

Team (2 men)

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

Team (3 men)

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain

within 1" or weapon suffers the -1 to-hit penalty.

Tough Fighters

(p91) When a tough fighter scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll.

HE (1")

(p68) PEN: +1, PIN: D2 (D3 if in building) - Infantry and artillery can go *down* to halve the hits taken

HE (2")

(p68) PEN: +2, PIN: D3 (D6 if in building) - Infantry and artillery can go *down* to halve the hits taken

Easily catches fire

If a roll on the vehicle damage table results in the vehicle catching fire add D3 pin markers rather than just 1 before taking a morale test

Behind enemy lines

When Outflanking, ignore the -1 modifier to the Order test for coming onto the table

Assault

(p66) This weapon suffers no penalty 'to hit' when moving and shooting. In addition, infantry models armed with an assault weapon count as tough fighters (page 91). When a tough fighter scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll.

Blood curdling charge

If the army has this special rule then enemy units cannot react to an **assault** by shooting at them - they are simply transfixed with horror at the sight of their foe. This rule does not apply if the units launching the assault are Inexperienced - including any units that start out as 'green'

Who Dares Wins!

Units of SAS have the Fanatics special rule - (p90) When a fanatic unit loses half of its numbers from enemy fire, it does not take a morale check so long as it has at least two men. Fantic units with at least two men are not destroyed when they have a number of pin markers equal to their morale value. When a fanatic unit is defeated in close quarter fighting, the fight counts as a draw)

25-pdr AT shell

The 25-pdr can shoot either HE or AT - if put into ambush the player must specify which kind of shell is loaded

Indirect fire

(p71)

Howitzer

(p71) Can either shoot directly at a target drawing its line of fire 'over open sights' in the normal way, or it can shoot indirect fire. When using indirect fire, a howitzer has a minimum range; when firing over open sights it has no minimum range.

(75mm) HE (2")

Instead of using the 1" template, use the 2" template (75mm gun tanks)

Gun shield

(p95) The die roll an enemy requires to score damage from the front arc of the gun is increased by +1. The die roll is modified by the penetration value of the weapon in the usual way. Hits from HE (both direct and indirect), flame throwers, and close quarters attacks ignore the gun shield rule.

Flak

All enemy units not currently down automatically fire at the attacking aircraft if it is within their firing arc and range, regardless of whether they have already taken an action or not that turn. Flak fire does not require an action. Line of sight ignored. Rolls to hit aircraft are always at a -2 penalty. Friendly flak units must test to hold their fire (page 67)

Fixed

(p66) When given Advance order, fixed weapons can rotate on the spot suffering a -1 to-hit penalty. Non-artillery Fixed can move normal 12" when given Run order.

Spotter

Spotters rules on page 71. Inexperienced Spotters cannot spot for inexperienced indirect fire weapon.
