**BOLTACTION.EASYARMY.COM**

One-shot

(p72) This is a disposable weapon that can be fired only once per game. Once fired replace the model with another model that does not carry the disposable weapon

### **Shaped Charge**

(p73) Never suffer the -1 penetration modifier for firing at long range.

### **Sniper**

(p91) When a sniper shoots using a Fire or Ambush order, the player can decide to use his scope. Rifle range changes to 36". If target is within 12" the shot misses automatically. Shot ignores negative to-hit modifiers except pinning markers and for missing assistant. Shot ignores gun shield and extra protection rules. If successful, always counts as exceptional damage and can pick any model in the unit. When not using scope, all members of team can fire any weapon they have and in assault can use the assault rule if pistol/submachine gun.

### **Tank hunters**

(p91) If a tank hunter unit wins an assault and scores damage against an armoured vehicle, the effect is resolved on the Damage Result table as for a normal anti-tank penetration rather than as for superficial damage.

### **Team (2 men)**

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

### **Team (4 men)**

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

### **HE (1")**

(p68) PEN: +1, PIN: D2 (D3 if in building) - Infantry and artillery can go *down* to halve the hits taken

### **Fanatics**

(p90) When a fanatic unit loses half of its numbers from enemy fire, it does not take a morale check so long as it has at least two men. Fantic units with at least two men are not destroyed when they have a number of pin markers equal to their morale value. When a fanatic unit is defeated in close quarter fighting, the fight counts as a draw instead and another round is immediately fought. Continue fighting until the fanatic unit wins, is completely wiped out or is defeated and left with a single model in which case it is destroyed.

### **Body Armour**

Small arms (rifles, machine guns, etc) and HE suffer a -1 modifier to damage soldiers wearing body armour. Troops wearing body armour do not increase their pace when given a run order. They can still be given a run order (to assault in close combat for example) but don't move any faster than their normal pace of 6"

### **Assault**

(p66) This weapon suffers no penalty 'to hit' when moving and shooting. In addition, infantry models armed with an assault weapon count as tough fighters (page 91). When a tough fighter scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll.

### **Tough Tank Hunters**

Tough tank hunters have all the usual rules for 'tank hunters' and in addition double their attacks in close combat against vehicles (i.e each soldier makes 2 attacks)

### **Gun shield**

(p95) The die roll an enemy requires to score damage from the front arc of the gun is increased by +1. The die roll is modified by the penetration value of the weapon in the usual way. Hits from HE (both direct and indirect), flame throwers, and close quarters attacks ignore the gun shield rule.

### **Green**

(p90) Green units are inexperienced with morale rating of 8. The first time the unit suffers a casualty roll a die. On a roll of a 1 the unit suffers an additional D6 pin markers and goes *Down*. On a 2, 3, 4 the unit fights on. On a 5 or 6 the unit is immediately

up rated to Regular with morale value 9 for the rest of the battle. There is no further effect.

### **Forward position**

Counts as Observers/Snipers for Set-Up purposes (see page 118 of the Bolt Action rulebook)

### **Flamethrower**

(p67).Flamethrowers never suffer to-hit penalties for cover or Down. Hits multiplied into D6 (D6+1 for vehicle flamethrower). Always hits top armour. No -1 PEN for long range. Gun shield and extra protection rules do not apply. Units hit take D3+1 pins and must always check morale (if fail, then destroyed). Flamethrower rolls D6 - on 1 it runs out of fuel. When rolling to damage vehicle with flamerthrower, add +1 to damage effects chart.

### **Flak**

All enemy units not currently down automatically fire at the attacking aircraft if it is within their firing arc and range, regardless of whether they have already taken an action or not that turn. Flak fire does not require an action. Line of site ignored. Rolls to hit aircraft are always at a -2 penalty. Friendly flak units must test to hold their fire (page 67)

### **Fixed**

(p66) When given Advance order, fixed weapons can rotate on the spot suffering a -1 to-hit penalty. Non-artillery Fixed can move normal 12" when given Run order.
