## BOLTACTION.EASYARMY.COM

### Special Rules

#### One-shot

(p72) This is a disposable weapon that can be fired only once per game. Once fired replace the model with another model that does not carry the disposable weapon

#### Recce (Dual direction steering)

(p118)

#### Schürzen

Anti-tank rifles and shaped charges never get the +1 penetration bonus for hitting the vehicle on the side.

#### Shaped Charge

(p73) Never suffer the -1 penetration modifier for firing at long range.

#### Sniper

(p91) When a sniper shoots using a Fire or Ambush order, the player can decide to use his scope. Rifle range changes to 36". If target is within 12" the shot misses automatically. Shot ignores negative to-hit modifiers except pinning markers and for missing assistant. Shot ignores gun shield and extra protection rules. If successful, always counts as exceptional damage and can pick any model in the unit. When not using scope, all members of team can fire any weapon they have and in assault can use the assault rule if pistol/submachine gun.

#### Team (2 men)

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

#### Team (3 men)

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

**Team (4 men)**

(p73) A Team weapon shoots at full effectiveness so long as there are at least two men to serve it. If only one man remains then the weapon suffers a -1 to hit penalty, and (p42) -1 penalty to its morale. For squad-based team weapons, loader must remain within 1" or weapon suffers the -1 to-hit penalty.

**HE (1")**

(p68) PEN: +1, PIN: D2 (D3 if in building) - Infantry and artillery can go down to halve the hits taken

**HE (2")**

(p68) PEN: +2, PIN: D3 (D6 if in building) - Infantry and artillery can go down to halve the hits taken

**HE (3")**

(p68) PEN: +3, PIN: D3 (2D6 if in building) - Infantry and artillery can go down to halve the hits taken

**Assault**

(p66) This weapon suffers no penalty 'to hit' when moving and shooting. In addition, infantry models armed with an assault weapon count as tough fighters (page 91). When a tough fighter scores a casualty in close quarters against infantry or artillery, it can immediately make a second damage roll.

**Tiger fear**

All enemy units that have line of sight to one or more German vehicles with the Tiger fear special rule count as having one extra pin marker on them when taking any Order test, except if ordered to Fire against a vehicle causing Tiger fear. Test on -1 morale if they have no pin markers (page 17).

**Indirect fire**

(p71)

**Howitzer**

(p71) Can either shoot directly at a target drawing its line of fire 'over open sights' in the normal way, or it can shoot indirect fire. When using indirect fire, a howitzer has a minimum range; when firing over open sights it has no minimum range.

**Gun shield**

(p95) The die roll an enemy requires to score damage from the front arc of the gun is increased by +1. The die roll is modified by the penetration value of the weapon in the usual way. Hits from HE (both direct and indirect), flame throwers, and close quarters attacks ignore the gun shield rule.

**Fixed**

(p66) When given Advance order, fixed weapons can rotate on the spot suffering a -1 to-hit penalty. Non-artillery Fixed can move normal 12" when given Run order.

**Spotter**

Spotters rules on page 71. Inexperienced Spotters cannot spot for inexperienced indirect fire weapon.
